TENANT USER GUIDE

SIMPLE AND FAST

LilyCrest User Manual

Simple guide for tenants and testers

Bills and Payments | Maintenance Requests | Documents | Lily Assistant | Announcements

Designed Like the App

This PDF uses LilyCrest's colors, rounded cards, and assistant style so the guide feels familiar the moment a user opens it.

Quick Start

These are the first things every user should do.

Best for first-time users

01

Install the APK

Download the Android APK, allow installation if prompted, and open LilyCrest after it finishes.

02

Sign In

Use your tenant account through email and password, Google sign-in, or biometrics if already enabled.

03

Use the Main Tabs

Start with Home for your dashboard, then move to Billings, Services, Announcements, and Profile as needed.

04

Ask Lily for Help

If you need help quickly, open Lily Assistant. It can answer questions or connect you to an admin.

Main Tabs

Services | Announcements | Home | Billings | Profile

Tip: If the app opens but cannot load announcements, bills, or profile data, the internet connection may be weak or the test server may be offline.

1. What LilyCrest is

LilyCrest is a mobile app for tenants. You can use it to:

- sign in securely
- check announcements
- view and pay bills
- send maintenance requests
- upload and download documents
- update your profile
- chat with Lily Assistant

2. Before You Start

You need:

- an Android phone
- the `app-release.apk` file
- an internet connection
- a valid tenant account
- access to your email for the login code, if asked

Important for testers:

- This APK works only while the LilyCrest test server is online.
- If the app opens but cannot load data, contact the person who sent you the APK.

3. How to Install the APK

1. Download the APK file to your Android phone.
2. Tap the APK file.
3. If your phone asks for permission, allow `Install unknown apps`.
4. Tap `Install`.
5. Open `LilyCrest`.

4. First Time Opening the App

When you open the app for the first time:

1. Read the onboarding slides.
2. Tap `Get Started` or `Next`.
3. You will be taken to the login screen.

5. How to Log In

Option A: Email and Password

1. Enter your email address.
2. Enter your password.
3. Tap `Sign In`.
4. If asked, check your email for a 6-digit code.
5. Enter the code and tap `Verify & Log In`.

Option B: Google Sign-In

1. Tap `Continue with Google`.
2. Choose your Google account.
3. Wait for the app to finish signing you in.

Option C: Biometrics

You can use biometrics after enabling it.

1. Go to `Profile`.
2. Open `Settings`.
3. Turn on `Biometrics Login`.
4. Sign in once using your email and password.

5. Next time, tap `Sign in with Biometrics`.

6. Main Navigation

At the bottom of the app, you will see these main sections:

`Services`

Use this to submit and manage maintenance requests.

`Announcements`

Use this to read notices, reminders, and urgent updates from management.

`Home`

Use this as your main dashboard.

`Billings`

Use this to view bills, pay online, and download PDFs.

`Profile`

Use this to update your account, open documents, access settings, and sign out.

7. Home Screen

The `Home` screen shows the most important information in one place:

- your room and tenancy details
- move-in and contract end dates
- billing summary
- maintenance summary
- latest notifications
- search bar for bills, maintenance, and policies
- Lily Assistant floating button

Use the search bar if you want to find something quickly.

8. How to Check Announcements

1. Tap `Announcements`.
2. Scroll to read all notices.
3. Tap any announcement to open the full message.
4. Use the category filters if needed.
5. Turn on the `Urgent` filter if you only want important notices.

9. How to View and Pay Bills

To see your bills

1. Tap `Billings`.
2. Review your total outstanding amount.
3. Use the filters: `All`, `Pending`, `Overdue`, or `Paid`.
4. Tap any bill to open full details.

To pay a bill

1. Open a bill from `Billings`.
2. Tap `Pay` or `Pay Now`.
3. Review the amount.
4. Tap `Pay via PayMongo`.
5. Complete the payment in the secure checkout page.

Available payment methods may include:

- GCash
- Maya
- credit/debit card
- online banking

To download a bill or receipt

1. Open the bill.
2. Tap `PDF` or `Download Official Receipt`.
3. Wait while the file is prepared.

10. How to Submit a Maintenance Request

1. Tap `Services`.
2. Tap the request area to create a new request.
3. Choose the service type.
4. Choose the urgency level.
5. Describe the problem clearly.
6. Add photos if needed.
7. Tap `Submit Request`.

Service types include:

11. How to Use Lily Assistant

The Lily Assistant button appears in the app as a floating helper button.

You can ask Lily about:

- billing
- maintenance
- documents
- house rules
- penalties
- account support

If Lily cannot fully answer your concern, Lily can transfer you to an admin.

To contact an admin through Lily

1. Open `Lily Assistant`.
2. Type your concern.
3. If needed, ask to connect to admin.
4. Your inquiry will appear in the `Inquiries` section inside Lily Assistant.
5. Wait for the admin reply and continue the conversation there.

12. How to Use Documents

1. Go to `Profile`.
2. Tap `Documents`.

From there you can:

- view dormitory policy documents
- download your lease or policy PDFs
- upload personal documents
- preview uploaded files
- delete uploaded files if needed

Examples of upload types:

- Government ID
- Passport
- Driver's License
- Student ID
- Company ID

5. Save the change.

If you forgot your password:

1. Go to the login screen.
2. Tap `Forgot password?`
3. Follow the reset instructions.

16. Quick Troubleshooting

I cannot log in

- Check your email and password.
- Make sure you are using the correct tenant account.
- If a code is required, check your email inbox and spam folder.

I did not receive the 6-digit code

- Wait a moment.
- Check spam or junk mail.
- Use `Resend Code` after the timer finishes.

Bills or announcements are not loading

- Check your internet connection.
- Pull down to refresh.
- If the problem continues, the test server may be offline.

Payment did not finish

- Return to the bill screen and check the payment status.
- If needed, wait a little and refresh.
- Do not pay again immediately unless the bill still shows unpaid.

Biometrics is not working

- Make sure biometrics is enabled in your phone settings.
- Make sure biometrics is enabled in LilyCrest settings.
- Sign in once with email and password after turning biometrics on.

17. Best Practices for Users

- Keep your email address active because login codes may be sent there.
- Check announcements regularly.
- Pay bills before the due date.
- Add photos when sending maintenance requests.
- Keep your profile information updated.

18. When to Contact Admin

Contact the admin if:

- you cannot log in even with the correct details
- your bill looks wrong
- your payment is not reflected after waiting
- your maintenance issue is urgent
- you need help with documents or account access

19. One-Minute Summary

If you only remember the basics, remember this:

1. Install the APK.
2. Log in with your tenant account.
3. Use `Home` for overview.
4. Use `Billings` to pay.
5. Use `Services` for repairs.
6. Use `Announcements` for updates.
7. Use `Profile` for documents and settings.
8. Use `Lily Assistant` when you need help.
